Tirzah Baptist Chapel

Shawn Cullen is now representing the Community Council as agreed at the last meeting. He reported that he is now awaiting an update from the Planning Department.

Cllr. White informed the meeting that Pound Hill has been resubmitted as a site for the Traveller Community in the LDP. As the site has already been rejected once it was agreed that a response would be sent restating our list of objections: the topography of the ground, the absence of services, no sewerage, highway safety etc.

Action: The Chair to send a response.

The right of way at the junction at the top of Began Road was discussed – Cllr. V. Davies has spoken to residents at the top of Began Road who would consider cutting back the shrubs that are overgrown and are obscuring the view at the junction.

St Michaels Church

A letter was received from the Church Warden requesting financial aid due to increased costs of maintenance and running of the PCC and particularly rotten beams in the bell chamber and stolen lightening conductors.

All members agreed that a sum of £1000.00 should be granted to help the Church.

A request was made from the Village Hall Committee for a grant as the boiler desperately needs to be replaced. As three members of the Community Council are also on the village hall committee they declared their interest and abstained from voting.
