## 01/26/04 Planning

Nothing to report.

## 01/26/05 Roads, Hedges and Bridges

- The surface of Began Road continues to deteriorate with numerous large potholes. Residents are encouraged to lodge individual complaints to Newport Council in an effort to get the surface repaired. Complaints can be sent by email to [city.services@newport.gov.uk](mailto:city.services@newport.gov.uk) or through the web site at <https://www.newport.gov.uk/our-council/contact-council/compliments-and-complaints>. A detailed survey of the road will shortly be undertaken by community council members and will be sent to Newport Council.
- Despite numerous requests from the community council, and at least 2 overturned vehicles recently, Newport Council Highways Department refuses to carry road gritting in Michaelston-y-Few. Again, the community council encourages residents to complain directly to Newport Council using the above methods. City Councillor Watkins will request a meeting with Newport Highways Department. Meanwhile the community council has agreed to pay for some gritting by a local contractor, but the funds available are very limited.

## 01/26/06 Correspondence

- There will be a meeting of the Newport Climate Champions Network on the 21<sup>st</sup> January.

- In response to a request from the council's bank, a mandate was signed by the Chair and the Clerk to update the signatories on the council's bank account.

**01/26/09 Meeting Reports**

- The recent Newport Community Councils liaison meeting was cancelled due to lack of agenda items.
- Councillor Hallett will attend the One Voice Wales AGM.

**Date of Next Meeting** Wednesday 4<sup>th</sup> February 2026 at 7.00pm.
