## **06/22/01 – Minutes of the previous meeting**

The minutes of the April meeting were proposed as correct by Councillor Davies and seconded by Councillor Walford.

## **06/22/02 – Matters arising**

- Investigation of an alternative bank account is ongoing.
- It was noted that Druidstone Road and Old St Mellons are to become 20mph zones. We will ask Newport Council to install speed warning signs at the village boundaries.

## **06/22/03 – Police matters**

- Police have been re-invited to attend community council meetings. They are unable to attend the June meeting, but they do plan to attend in July. Meanwhile they will try to arrange a local surgery in place of the one that had to be cancelled.

## **06/22/04 – Planning**

- Application 22/0493 for retention of various features at Cefn Mably Farm Park. The Community Council hasn't yet been consulted by Newport Planning, but the application was noticed on the weekly planning list. Local residents attended the community council meeting and voiced their concerns, particularly over the invasion of privacy now that farm park customers standing on the railway bridge can look into their houses and gardens. Councillors will arrange a site meeting to view the situation from both sides.
- A letter drafted by Councillor Schofield will be sent to Newport Council regarding the LDP update.

## **06/22/05 Roads & Rights of Way**

- A deep pothole near the top of Penylan Hill has been repaired.

## **06/22/06 – Correspondence**

- None

## **06/22/07 – Finance**

- The internal audit report was circulated at the meeting. It confirms the figures previously reported by the Clerk and no concerns were raised.
- The Annual Report for Audit Wales was agreed by those present, and was signed by the Chair and the Responsible Financial Officer.

## **06/22/08 – Meeting Reports**

- About 35 oak saplings remain for distribution in the village.

## **06/22/09 – Chairmans Business**

## **05/22/10 – Date of next meeting**

The next meeting will be held on the 6<sup>th</sup> July 2022.
