

PLATINUM JUBILEE MINIATURE GARDEN COMPETITION

Give free rein to your imagination and have fun learning garden design skills by entering our Jubilee competition and making your own miniature garden

Guidelines

- Your garden should be approximately 12" (inches) x 14" (inches)
- Use any container that fits the above dimensions - a wooden box, a plant pot, a dish...
- You can use any material you like – plants, flowers, houses, pebbles, water and even fairies can find homes in a miniature garden
- Plants can be flowers, foliage, herbs, whatever you like, just remember to stay small!

Step By Step Instructions

1. Decide on a theme. A formal garden, a seaside garden, maybe a woodland, perhaps a Japanese garden, or, down on the farm?
2. Design the garden. Sketch out your ideas on paper
3. Choose a location and pick a container
4. Select the plants
5. Dig in!
6. Accessorize

You can enter one of the following categories:

- 11 years and under
- 12 years and over

Have fun and let your imagination run wild!
