10/22/01 – Police matters

- Two CSOs attended the meeting. There have been 143 incidents reported in the Marshfield area during the last month, a slight decrease on the previous month. They haven't received any recent reports of nuisance motor cyclists, but vehicles towing motorcycle trailers have been noticed in the area. Fly tipping has increased recently. The Chairs of local community councils are due to meet the Police and Crime Commissioner later this month.

10/22/02 – Minutes of the previous meeting

- The minutes of the July meeting were proposed as correct by Councillor Walford and seconded by Councillor Davies.

10/22/03 – Matters arising

- The move to Metro Bank is still to be actioned.
- There are still some oak saplings available for people to plant.
- Nothing further has been heard from Newport Council regarding our request for a speed limit. A loan of speed monitoring equipment has been requested.
- The Community Engagement Officer for the Newport Transporter Bridge project will attend the community council's December meeting.

10/22/04 – Planning

- It is still unclear whether the application for Cefn Mably Farm Park is to be referred to Newport Planning Committee.
- No further information has been found concerning a potential solar farm near Holly House Lane.

10/22/05 – Roads, Hedges & Rights of Way

- Cefn Mably bridge has recently been repaired following a request from the community council.

10/22/06 – Correspondence

- Keep Wales Tidy are offering free community garden kits. A kit will be applied for.
- Guidance on preparing a training plan has been received from One Voice Wales. A skills assessment was completed by councillors during the meeting and the training plan will be developed using that information.
- Signs warning against fly-tipping are available from Natural Resources Wales. Councillor Schofield will contact NRW.

10/22/07 – Finance

- Councillors reviewed expenditure to date against the budget. Expenditure for the next 6 months is to be further reviewed at the next meeting.

10/22/08 – Meeting Reports - None

10/22/09 – Date of next meeting

- The next meeting will be held on the 2nd November 2022.
