07/20/01 – Minutes of the previous meeting

The minutes of the June meeting were proposed as correct by Councillor Meringolo and seconded by Councillor Davies.

07/20/02 – Matters arising

- Fly-tipping: Newport City Council has not responded to the emails sent to Environmental Health and the Head of Legal Services. The Clerk is to write to City Councillors Richard White and Tom Suller asking for an update and saying that we wish to make a formal complaint against the City Council for their lack of action in this matter. Councillors Davies and Meringolo will also collaborate in completing a formal police complaint form.
- CCTV: Councillor Davies has investigated the legal position regarding data protection, and he is satisfied that we can satisfy the legal requirements. GDPR registration will require nominated people to manage the system. Several cameras are now installed and working. Any request for data from the cameras will need to be submitted through an on-line form which will be logged. The Community Council will own the system, though MyFi has funded it so far.
- The litter pick planned for the 27th June was cancelled but work to clear the church yard was carried out.

07/20/03 – Police matters

Nothing to report.

07/20/04 – Planning

Cardiff planning application 20/00868/MNR – Additional dwelling at The Chase, Began Road. Councillors discussed this application and will not raise any objection to the development. Councillor Schofield abstained from the vote.

07/20/05 Roads & Rights of Way

- Some stones have been dislodged from the parapet of Cefn Mably Bridge. The Clerk will contact Caerphilly Council to request a repair.
- Residents of Bridge Terrace are concerned at the size of the trees growing in front of the houses – they are reducing daylight and falling branches have damaged cars. The Clerk will contact Newport City Homes, who own the ground, requesting a site meeting between residents and the tree safety officer.

07/20/07 – Finance
